Dear local participating industrial organizations,

The end of the year is just around the corner and you all know what that means. The American Institute of Architects, San Joaquin Chapter (AIASJ) will be hosting this year's 23<sup>rd</sup> annual Building Industry Holiday Party.

SAVE THE DATE: This year's event will be held at the Ginza Asian Bistro (7845 N. Palm Ave #101, Fresno CA 93711 [Directions](#) ) on **Wednesday, December 6<sup>th</sup> 2017, from 6:00 PM to 9:00 PM**. This annual event is an opportunity for building industry professionals to meet, exchange knowledge and experiences within their industries. It's also a wonderful tradition in our community as a chance to relax and have some fun!! This event brings together local non-profits representing building, design and construction industry professional organizations, as well as offers an amazing opportunity to generate business and new networking connections in our local community.

We are reaching out to the local industrial organizations and asking for donations to help sponsor this annual event. Please support our growing community of professionals in the Building, Design and Construction Industry. Please save the date and start promoting this major event to your organizations. Attached are photos of the event last year. We hope we can get all the organizations involved. If it is by donation, promoting and supporting this annual tradition.

To donate, please fill out the included form with requested information. Please mail, email or deliver the completed form and donation and direct any questions to the AIASJ Executive Director:
