by Frank Lloyd Wright
4260 Country Club Drive
Bakersfield, CA

Cost: AIA Members - **FREE**

Non-AIA Members
\$10 per person

[Click here](#) for tickets

About: Appetizers and Drinks will be hosted and provided.

Get an exclusive look inside of one of the late works of the great Frank Lloyd Wright. Located right here in Bakersfield, this 3,233 square foot residence built for the late Dr. George Ablin and his family was finished in 1958. Now you get a private tour and a chance to sip a cocktail in one of his only West Coast residences. Cheers!
